

KS MIECHV DAISEY Report Guide

Data Quality Report

Purpose of this report

The purpose of this report is to provide DAISEY users with a report to help troubleshoot common data entry issues. The report will highlight issues that could exclude caregivers and children from appearing in other reports.

What is counted in this report

Any caregiver or child in the KS MIECHV DAISEY initiative will be eligible for this report if they have a profile created after October 1, 2024, and within the selected reporting period.

Using Filters

Use the following filters to determine the data to review:

- * Start and End Date
- * Organization Name
- * County
- * Home Visitor
- * Caregiver Name (ID)
- * Child Name (ID)

Report filter options
