

Kansas MIECHV Report Guide

Missing Data Report

PURPOSE OF REPORT: This report will assist home visitors, supervisors, and state leads with identifying missing or incorrect data to ensure a complete and correct dataset is represented.

Reminder: Primary caregivers and children with profiles and activities entered into DAISEY will be represented in reports. The data only reflects families that are enrolled during the date range selected in the filter and have a completed enrollment/discharge form.

What does this report represent

This report represents data entered into DAISEY for Kansas MIECHV programs. All dashboards will provide information on *Missing* and *Complete* data; some graphs may have *Unknown* or *Invalid* data. To further explore the *Unknown* or *Invalid* data, it will be necessary to view the underlying data (refer to the [Accessing Underlying Client-Level Data guide](#)). DAISEY reports update on a nightly basis. Data entered into DAISEY will be available in reports the next day.

Report Parameters

Reports can be filtered by Reporting Year, Organization, Program Model, County, and Home Visitor Name, which can be selected in a drop-down menu.

Reporting Year	Organization	Program Model	County	Home Visitor Name
Oct 2024 to Sep 2025	(All)	(All)	(All)	(All)

***The Organization selected must match your assignment in DAISEY to view data.**
